As per Circular PL 04/2023, issued on 28th April 2023, the Government has approved a new package of housing support measures to incentivise increased housing supply and help reduce housing construction costs, including the introduction of temporary time-limited arrangements for the refund of Uisce Éireann (UÉ) Standard Connection Charges.

This temporary refund Scheme applies to permitted residential developments that:

- commence on site between **25 April 2023** (the date of the Government Decision approving the measure) and **24 April 2024**; and
- are completed not later than **31 December 2025**.

For Single Domestic Connections that qualify for the Scheme, Uisce Éireann may waive applicable Standard Connection Charge(s). The Scheme does not apply to any applicable Quotable Charges specified in connection agreements.

Customers seeking a waiver of Water and/or Wastewater Standard Connection Charges as part of this Scheme will be required to:
